Everything was wrong

Everything was wrong.

I was still afraid he would drop me, even if it wasn't our first time doing this.
Marty or Nick could come in at any moment and there's no way he could talk his way out of this.
We were fucking bareback.
My spine hurt from the odd angle he was holding me in.
I couldn't really keep quiet.
He kept on biting my neck and my hair wouldn't cover the hickeys he was giving me.
He was fucking me rough and hard and fast. I will walk like a goddamned idiot after this.

Everything felt so wrong. But soooo good.
